STRAW

CHOPPED

Chopped straw is an excellent choice in all-natural and biodegradable bedding for livestock including chicken, goats, sheep, rabbits, guinea pigs, dogs and other small animals. Straw is not recommended for equine bedding as horses may consume it causing digestive problems. Our Chopped Straw is chopped into 4" pieces so consumers only discard soiled straw bedding.

This product is also highly recommended for composting.

Each 25 pound bag contains 2 cu. ft (56.6 L) compressed or 10 cu. ft. (283.2 L) expanded.

Benefits:

- All-natural and biodegradable bedding.
- Certified noxious weed free.
- Soft feel and clean.
- Great for chicken coops.
- Ideal for composting.
- Minimal waste with clean-up.

Notes:

Nutritional note — Chopped straw intended for bedding or composting purposes and not a source of nutrition.

Landscaping note — Barley or wheat seeds may be present and may germinate if used in gardens or for erosion control.

If you have questions, please contact Standlee Premium Western Forage®.

Ingredients:

Naturally Sun-Cured Premium Western Barley or Wheat Straw

Recommended for:

Chickens, goats, sheep, rabbits, guinea pigs, dogs and other small animals.
