PRESS RELEASE

FOR IMMEDIATE RELEASE

June 29, 2016

Clark and Loughan Glen Are Headed to Rio!

Congratulations to Clark Montgomery and his equine partner, Loughan Glen, on being named to the US Equine Team in Rio! Clark and Loughan Glen secured their position on the USA squad with a solid performance at the Equi-Trek Bramham Horse Trials and Event Rider Master CIC in England earlier this month.

Clark and Glen are heading to Brazil from their training facility in England via The Plains, Virginia where they will be competing in the Land Rover Great Meadow International from July 8th to the 10th. This will be their last warm-up event before heading south in early August to compete in Rio.

Loughan Glen under Clark and Jessica Montgomery's careful and diligent guidance recently became a Standlee Premium Western Forage® endorsed equine athlete. Earlier this year, Standlee launched a limited endorsee program to spotlight the experiences professional equine athletes and their riders are having with Standlee forage products. The program is intended to highlight the benefits of feeding high quality premium western forage in ultra-competitive and demanding environments. Furthermore, all

horse owners whether professional, semi-professional or recreational can learn and leverage tips from our Standlee endorsee team for their benefit!

Standlee and the USA are proud of you both and wish you all the best in Brazil!

About Clark Montgomery

Originally hailing from Texas, since 1999 Clark has been living and competing on the eastern seaboard of the United States and abroad in England and Europe. He has been fortunate enough to train with numerous top riders and coaches over the years. With a relatively small string, Clark has over 60 top 5 placings since 2008 of which over 30% of those were wins. He has been a regular fixture on the USEF's High Performance training lists since 2001 and was the recipient of a 2011 Land Rover USEF High Performance grant which funded his trip to compete at Blenheim Palace CCI in England.
