# HORSE PILL CARRIERS®

## GIVING MEDICATIONS JUST GOT EASIER

### Benefits:

- **Pill Holding Design** – assures medication or supplement is delivered to the animal
- **Alfalfa-Based** – natural option for dispensing medication or supplements in pill or capsule form
- **Highly palatable** – crafted with sun-cured alfalfa, fenugreek, beet pulp and other natural ingredients to assure maximum flavor and taste
- **Support Antioxidant-Enrichment** – contains cranberries to help support the immune system
- **Stay Fresh Packaging** – resealable package to keep horse pill carriers fresh
- **No Preservatives, Colors or Artificial Flavors**

### Feeding Directions:

Standlee® Horse Pill Carriers® are designed to aid in dispensing medications or supplements in pill or capsule form. Place medication or supplement inside the center opening of the pill carrier, then lightly push the medication or supplement into the paste. The first time offering the pill carriers, provide the horse one or two carriers without medication or supplement to condition acceptance. Can be fed to horse like a treat, or just drop into feed. Approximately 16 carriers per bag.

If you have questions, please contact the nutritionists at Standlee Premium Western Forage® or consult your Veterinarian.
